## Avoiding Retaliation, Whistleblowing and Wrongful Termination Claims

### Summary of Program

Exposure to retaliation claims in the workplace today is like exposure to second-hand smoke in the workplace in the 1960s - it's everywhere but few people understand the danger.

The Labor and Employment Group at Weintraub Tobin is pleased to offer this very important training session that will help business owners, human resource professionals, and managers understand the ins-and-outs of retaliation, whistleblowing, and wrongful termination claims.

### Program Highlights

- ◆ Who is a “whistleblower” and under what law(s)?
- ◆ What type of conduct can constitute “retaliation” and under what law(s)?
- ◆ What constitutes “wrongful termination?”
- ◆ Did the employee quit or was [s]he “constructively terminated” (What does that mean?)
- ◆ Can an “at-will” employee be wrongfully terminated?
- ◆ Steps to avoid retaliation, whistleblowing, and wrongful termination claims: effective policies, training, and documentation.
