Comprehensive Transactional // Litigation Practices

Weintraub Tobin attorneys provide efficient, practical, and sophisticated legal counsel in a comprehensive suite of business law practices to assist companies, individuals, startups, and nonprofit organizations in each stage of their business needs. Our transactional attorneys work with companies as they are founded, funded, and organized; as they grow and expand; and as they transition with sales, mergers, reorganizations, or generational transfers. Clients turn to our experienced trial attorneys when disputes arise in areas from employment litigation to intellectual property disputes. Weintraub's established entertainment and digital media groups provide counsel and negotiate on behalf of top-tier creators, producers, and distributors. Our many long-term client relationships are earned every day by consistently providing responsive, innovative, and effective legal services.
